

Lil' Rafters Daily Tracker

How to hit a home run in reading:

- Read every day for 15 minutes from April 1 through May 1
- Track your daily reading by checking the boxes around the bases each day you read
- Round second base and get a free pass to Food + Farm Exploration Center
- Make it home and you will get two tickets to a Rafters game this summer!

Way to go! You've made it to scoring position!

We strive to inspire a love of reading by encouraging daily literacy habits and celebrating students through community connection.
